SCHEDULE

T. Edmund Garrity & Co. has requested to have the design and structure finalized by February 24, and the site online ready to go by April 1. All reasonable attempts will be made to accomodate this request. The following explains the steps in the process.

- » You fill out a questionnaire and we review your responses.
I begin research and idea generation.
- » You inventory and/or create content.
- » I present 3 design concepts, of which you pick one for the design of the site.
Wednesday, February 17
- » Finalize the design and structure of the site.
Monday, February 22
- » Development begins;
 - The Web pages are built and linked
 - Functions are created (Form(s), Google maps and RSS feed)
 - The site is posted on the host server and E-mail is set up
- » Content is added to the site.
- » Edits and revisions are made.
- » Site is tested.
- » Site is launched.
